## Celebrate St. Gilbert of Sempringham

(February 4th)

... Over the years a special custom grew up in the houses of the Gilbertine order called “the plate of the Lord Jesus.” The best portions of the dinner were put on a special plate and shared with the

poor, reflecting Gilbert's lifelong concern for less fortunate people...

*Saint Gilbert... Pray for us.*

Photo from Sempringham Abbey — the historic place where St. Gilbert's remains have lain buried near the altar for over 800 years.

**Blessing of Throats will take place after the 8am Mass on the Feast of Saint Blaise, February 3rd. All are welcome.**

## FEATURING:

Everyone needs love. Everyone desires love. But not everyone understands love. In fact, love is probably the most misunderstood subject in history. In his first encyclical, Pope Benedict XVI helps to clarify the meaning of love. He examines the nature of various kinds of love. Human love and divine love, eros, friendship, and charity. He writes beautifully and inspirationally of how man was made for love by the God who is love, the God who became one of us out of love: Jesus Christ. In the second part of the encyclical, Benedict addresses the Church's practice of love. He examines the relationship between justice and charity, as well as the call of every Catholic to serve others in love. The Pope's "love letter" to mankind is remarkably accessible and timely.
